Why True Care System is a Compelling Investment

Growing Healthcare Market

Aging population, behavioral health growth, CMS & state funding expansion, strong demand for LPC, MCL, MFT professionals.

Live Production Platform

Live in production for several years with an active healthcare provider managing daily operations.

Proven & Trusted Technology

Sandata Production Certified EVV Vendor. HIPAA-oriented security, enterprise-grade architecture.

Recurring Revenue SaaS Model

Predictable, scalable recurring revenue with annual price adjustments and high retention potential.

\$1.447M Founder Investment

\$1.447M already invested by founders in operational contribution and development.

Scalable Multi-State Expansion

Built to scale across multiple states with strong regulatory compliance and operational efficiency.

Strong Industry Tailwinds Create Long-Term Opportunity

Aging Population

Increasing demand for long-term care and community-based services.

Behavioral Health Growth

Behavioral health is one of the fastest-growing healthcare sectors.

CMS & State Funding Expansion

CMS and state Medicaid programs continue increasing funding for home and community-based care.

Mental Health Access Improvement Act

Increasing access to behavioral health services and licensed professionals.

Growing Demand for Professionals

Rising need for LPC, MCL, MFT and other behavioral health specialists.

Digital Transformation

Providers require integrated platforms for efficiency, compliance, and growth.

Administrative Regions

67

Pennsylvania Counties

9,426

Total Licensed ODP Providers

WHY THIS MATTERS

Government Verified Registry

Data is maintained by the Pennsylvania Department of Human Services (DHS) and refreshed daily for accuracy and reliability.

9,426 Licensed Providers in One DHS Program

Represents the Office of Developmental Programs (ODP) ecosystem only. The total DHS provider market is significantly larger.

Large Addressable Healthcare SaaS Market

Thousands of provider organizations across the state need modern, compliant, integrated technology solutions.

Strong Foundation for Pennsylvania Expansion

Proven production platform with Sandata EVV integration positions True Care System for rapid growth across PA and beyond.

The 9,426 licensed providers represent only the Office of Developmental Programs (ODP). This demonstrates a substantial market opportunity with significant room for expansion.

TECHNOLOGY OVERVIEW

Modern, Secure & Scalable Healthcare SaaS Platform

True Care System is built with a modern, cloud-native technology stack designed for scalability, reliability, security, and an exceptional user experience.

FRONTEND (WEB)

Next.js

React framework for fast, SEO-friendly web applications

TypeScript

Type-safe development for robust and maintainable code

Tailwind CSS

Utility-first CSS framework for modern UI/UX

shadcn/ui

Beautifully designed components for consistent UI

BACKEND (API)

Node.js

JavaScript runtime for building scalable server applications

NestJS

Progressive Node.js framework for efficient and modular APIs

Prisma ORM

Type-safe database ORM for PostgreSQL

DATABASE & STORAGE

Supabase

- PostgreSQL Database
- Authentication
- Row Level Security
- Real-time capabilities

Supabase Storage

Secure file storage for documents, images, reports and more

INFRASTRUCTURE & HOSTING

Render

- Backend API Hosting
- Automatic deployments
- Scalable & reliable

Vercel

- Web Application Hosting
- Global Edge Network
- Blazing fast performance

DEVOPS & COLLABORATION

GitHub

- Source code management
- Version control
- Collaboration & Code review

GitHub Actions

- Automated workflows
- CI/CD pipelines
- Testing & deployment

MONITORING & ANALYTICS

Sentry

- Error monitoring
- Performance tracking
- Issue alerting

PostHog

- Product analytics
- User behavior tracking
- Feature insights

CONCLUSION

Building the Future of Home Care & Behavioral Health

True Care System is a production-ready, HIPAA-oriented SaaS platform with proven technology, real customers, and a clear path to scalable growth and long-term value.

KEY TAKEAWAYS

Production-Ready Platform

Live in production with real customers and Sandata Production certified.

Strong Growth Potential

Customers and ARR grow to ~\$1.7M by 2027 with 39% CAGR.

Modern & Scalable Technology

Built with best-in-class, cloud-native technologies for reliability and scale.

Security & Compliance Focused

HIPAA-oriented platform with multi-tenant architecture and data security by design.

Experienced & Committed Team

Deep domain expertise with a passion to transform care through technology.

• WHY INVEST IN TRUE CARE SYSTEM? •

Large & Growing Market

Massive opportunity in Home Care, I/DD & Behavioral Health.

Proven Traction

Live platform with paying customers and real-world usage.

Reduced Risk

Production-ready, certified, and validated technology.

Recurring Revenue Model

Predictable, scalable SaaS subscription business.

Scalable & Expandable

Multi-state expansion with massive long-term potential.

• JOIN US ON OUR JOURNEY •

“ We invite investors and strategic partners to join us in accelerating our mission to deliver compassionate care through innovative technology and create lasting impact for the communities we serve. ”

LET'S CONNECT

We welcome the opportunity to discuss how True Care System can create value together.

Thank you!
