DO NOT SEND A PAPER COPY OF YOUR RETURN TO THE IRS. IF YOU DO, IT WILL DELAY THE PROCESSING OF THE RETURN.

If You Need to Make a Change to Your Return

If you need to make a change or correct the return you filed electronically, you should send a Form 1040X, Amended U.S. Individual Income Tax Return, to the IRS Submission Processing Center that processes paper returns for your area. The address is available at *www.irs.gov*, or you can call the IRS toll-free at 1-800-829-1040.

If You Need to Ask About Your Refund

The IRS notifies your Electronic Return Originator (ERO) when your return is accepted, usually within 48 hours. If your return was not accepted, the IRS notifies your ERO of the reasons for rejection. If it has been more than three weeks since the IRS accepted your return and you have not received your refund, go to *www.irs.gov* and click on "Where's My Refund?" to view your refund status. Exception: If box 3 above is checked, allow 4 to 6 weeks for processing of your return. A notice will be sent to you advising of changes to your return.

Also, you can call the TeleTax line at 1-800-829-4477, for automated refund information. You should have available the first social security number shown on your return, your filing status, and the exact amount of the refund you expect. TeleTax gives you the date for mailing or depositing your refund. You should receive your refund check within 30 days of the date given by TeleTax, or within one week of that date, if you chose direct deposit. If you do not receive it by then, or if TeleTax does not give your refund information, call the Refund Hotline at 1-800-829-1954.

The IRS uses refunds to cover overdue taxes and notifies you when this occurs. The Fiscal Service offsets refunds through the Treasury Offset Program to cover past due child support, federal agency non-tax debts such as student loans and state income tax obligations. Fiscal Service sends you an offset notice if it applies your refund or part of your refund to non-tax debts. If you have questions about the offset, contact the agency identified in the notice. You may also call the Treasury Offset Program Call Center at 1-800-304-3107, if you have additional questions.

If You Owe Tax

If your return has a balance due, you must pay the amount you owe by the prescribed due date. If you paid by electronic funds withdrawal (direct debit) or by credit card, no voucher is needed. The credit card service providers will charge a convenience fee based on the amount of taxes you are paying. The fees and the type of credit or debit cards accepted may vary between providers. You will be told the amount of the fee during the transaction and you will be given the option to either continue or end the transaction. For information on paying your taxes electronically, including by credit or debit card, go to *www.irs.gov/e-pay*.

If you are not paying electronically you may use Form 1040-V, Payment Voucher, which you can obtain from your Electronic Return Originator. If the IRS does not receive your payment by the prescribed due date, you will receive a notice that requests full payment of the tax due, plus penalties and interest. If you can not pay the amount in full, complete Form 9465, Installment Agreement Request, which you may file electronically. To apply for an installment agreement online, go to *www.irs.gov*. You may also order Form 9465 by calling 1-800-TAX-FORM (1-800-829-3676). If approved, the IRS charges a user fee to set up an installment agreement.

If You Need to Inquire About Your Electronic Funds Withdrawal Payment

You may call 1-888-353-4537 to inquire about the status of your electronic funds withdrawal payment. If there is a change to the bank account information included on your return, you should call this number to cancel a scheduled payment. You should have available the social security number of the first person listed on the tax return, the payment amount, and the bank account number. Cancellation requests must be received no later than 11:59 p.m. E.T. two business days prior to the scheduled payment date.

Tax Refund Related Financial Products

Financial institutions offer a variety of financial products to taxpayers based on their refunds. Contracts for financial products are between you and the financial institution. The IRS is not associated with the contract. **If you have questions about tax refund related products, contact your Electronic Return Originator or the lender.**

General Information

In general, for taxable years beginning on or after January 1, 2025, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2025. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments – Residents, or Schedule CA (540NR), California Adjustments – Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

A Purpose

Use form FTB 3526, Investment Interest Expense Deduction, to figure the amount of investment interest expense deductible for the current year and the amount, if any, to carry forward to future years. Interest expense paid by an individual, estate, or trust on a loan allocable to property held for investment may not be fully deductible in the current year.

Net capital gain from the disposition of property held for investment is excluded from investment income when figuring the investment interest limitation. However, taxpayers may elect to include in their investment income as much of their net capital gain investment income as they choose, if they also reduce the amount of net capital gain eligible for the special federal capital gain tax rate.

This form allows you to make a separate California election to include net capital gain investment income in the calculation of the investment interest limitation. However, California taxes all income at the same rate. Consider the effect on your California tax before making a separate California election or applying the federal election for California purposes.

B Who Must File

If you are an individual, estate, or trust and you claim a deduction for investment interest expense, you must complete and attach form FTB 3526 to your tax return.

Exception: You do not have to file form FTB 3526 if **all** of the following apply:

- Your only investment income was from interest or dividends.
- You have no other deductible expenses connected with the production of interest or dividends.
- Your investment interest expense is not more than your investment income.
- You have no disallowed investment interest expense from 2024.

Specific Line Instructions

Generally, California law for the investment interest expense deduction follows federal law. Get the instructions for federal Form 4952, Investment Interest Expense Deduction, for more information. Get federal Pub. 550, Investment Income and Expenses, to determine your investment interest expense deduction if you have interest income or expense attributable to a working interest in oil or gas property or if you paid or accrued interest on a loan and you used the proceeds of the loan for more than one purpose.

Line 1

Enter the investment interest paid or accrued during the taxable year, regardless of when you incurred the indebtedness. Investment interest expense is interest paid or accrued on a loan (or part of a loan) that is allocable to property held for investment.

Include investment interest expense reported to you on Schedules K-1 (100S, 541, 565, or 568), Share of Income, Deductions, Credits, etc. Include amortization of bond premiums on taxable bonds purchased after October 22, 1986, but before January 1, 1988, unless you elected to offset amortizable bond premiums against the interest payments on the bond. A taxable bond is a bond on which the interest is includible in gross income.

Investment interest expense does not include:

- Qualified residence interest.
- Interest expense that is properly allocable to a passive activity. See "Passive Activities." REV 04/24/26 PRO

Taxpayers with California AGI equal to or greater than $1,000,000 (or $500,000 if married/RDP filing a separate return) must use the tax shown on their 2025 tax return if they do not meet one of the two conditions above.

Part III **Annualized Income Installment Method Schedule**.

Use this schedule ONLY if you earned taxable income at an UNEVEN RATE during 2025 (see Example A). If you earned your income at approximately the same rate each month (see Example B), then you should not complete this schedule. If you choose to figure the penalty, see Worksheet II, on page 4 of the instructions.

Example A: If you were a commissioned salesperson who earned no income during the first three months of the year, earned most of your income during the following six months, and earned very little during the last three months, you should complete this schedule. You may be able to benefit by using the annualized income installment method. The required installment of estimated tax figured using the annualized method may be less than your required installment figured using the required installment method.

Three things Californians need to know about the state health care mandate:

1. Make sure you have health coverage: Californians must have health insurance. In general, a taxpayer who fails to secure health insurance will face a penalty when filing their tax return.

2. Exemptions available: Most exemptions from the mandate will be claimed when filing a state income tax return. Additional exemptions will be granted through Covered California.

3. Financial assistance available: Covered California has financial assistance available for Californians to purchase health insurance.
