ABOUT YOUR ACCOUNT – Securities in your account are protected up to \$500,000 (cash up to \$250,000) by the Securities Investor Protection Corporation (SIPC). RBC Capital Markets, LLC (RBC) has purchased an additional policy covering up to \$99.5 million per SIPC qualified account, subject to a total maximum aggregate for RBC of \$400 million. This protection applies to the physical loss or destruction of your securities; it does not apply to any decline in the market value of your securities. Other investments shown on your statement but not held at RBC may not be protected by the SIPC or private insurance policies purchased by RBC. Certain investments and transactions are ineligible under SIPC such as commodity futures contracts and currency, as well as investment contracts (such as limited partnerships), fixed annuity contracts that are not registered with the U.S. Securities and Exchange Commission under the Securities Act of 1933 and foreign currency transactions. For more details, please talk to your Financial Advisor, contact SIPC for a brochure by calling 202-371-8300 or visit www.sipc.org.

All securities that we hold for you that are not registered in your name ("street name" securities) are commingled with identical securities being held for other clients. Securities with call features may be called in whole or in part. Please see the "Partial Redemption of Callable Securities Disclosure" published under "Partial Redemption of Callable Securities" on our public website at rbcbwm.com/disclosures for information that describes the partial redemption procedures established at RBC and the firm's lottery procedures for callable securities. A printed copy of these procedures may be requested from your Financial Advisor.

To report a lost or stolen VISA Platinum® card, call 800-933-9946 or 877-486-3696. Questions regarding check activity, money funds balances and VISA Platinum® card activity should be directed to Client Account Services at 800-933-9946.

A financial statement of this organization is available for your personal inspection at its offices, or a copy of it will be mailed upon your written request. A "Statement of Financial Condition" for RBC is available on our public website at www.rbcbwm.com/disclosures.

If you have an option account, each of the transaction confirmations that we sent you itemizes the commissions that you have paid. Upon request, we will also furnish to you a statement of the total option commissions paid by you for this calendar year.

ABOUT YOUR INVESTMENT OBJECTIVE / PROFILE AND RISK TOLERANCE – The Investment Objective and Risk Tolerance, where applicable, on page 3 of this statement are specific to this account and should reflect your investment goals and the level of overall risk you are willing to assume in seeking returns for this account. For more information see "Investment Guidelines Overview" on our public website at www.rbcbwm.com/disclosures.

The Advisory Risk Profile, also noted on page 3, if applicable, is applied broadly across specified advisory accounts held at RBC and should reflect the basis for the recommendation of an appropriate investment strategy designed to meet your objectives and financial needs as identified in your Risk Profile questionnaire.

Advisory Risk Profile	Profile 1	Profile 2	Profile 3	Profile 4	Profile 5
Lower Risk and Return Potential Shorter Time Horizon					Higher Risk and Return Potential Longer Time Horizon

Please consult with your Financial Advisor promptly if the information shown below does not accurately reflect your objective or risk tolerance, or if you wish to impose or modify any restrictions on your account.

ABOUT YOUR STATEMENT – Statements are mailed monthly to clients who have transactions during the month that affect money balances and/or security positions. Statements are mailed quarterly to all other clients provided that their account contains a money or security balance. Please review these statements carefully, and keep them for your records. If you note any discrepancies in your money balance, security positions, tax lots chosen for disposition, or unauthorized activity in your account, please report this to the Complex Director immediately via telephone at the phone number, or in writing at the address that appear on the front of your statement. In addition, you should reconfirm any oral communications with us in writing to further protect your rights, including your rights under the Securities Investor Protection Act (SIPA).

Your statement is intended to provide only a summary of activity in your account(s) for the statement period. The information provided on the statement includes, among other things, a snapshot of the value of your account(s), a summary of the income you received for the statement and year-to-date periods, contributions to traditional, Roth or other Individual Retirement Account(s), and transactions in mutual funds shares. The presentation of the value of your account(s) value, as well as changes in value, includes all deposits, withdrawals, and other changes in market value. It may also reflect a reduction in value as the result of the return of principal on certain fixed income securities. However, changes in the value of unpriced securities, special products, or accrued interest are not reflected. If you have questions about your individual tax situation, please consult your tax advisor.

Please see the "Cash Management" section on our public website at www.rbcbwm.com/disclosures. There you will find the RBC Premium Savings Program Terms and Conditions, Deposit Placement Agreement and program interest rates. A list of Network Banks is available at <https://www.intrafi.com/network-banks>. RBC is not an FDIC-insured depository institution. FDIC insurance available for program deposits is subject to certain conditions and FDIC insurance only protects against the failure of a bank.

The prices for most securities and certain securities transactions reported on this statement are obtained from independent quotation services whose appraisal(s) are based on closing prices, bid-ask quotations or other factors; however, in some cases, RBC calculates prices for certain securities using information from independent and internal sources. If you hold municipal revenue bonds, please be aware that the price you may receive on their sale may vary significantly from the price shown on your statement. Moreover, certain securities may have unique valuation requirements. Certain securities prices may not be current as of the statement date, and certain adjustments to your holdings may not yet have been included. If you purchase and/or hold securities traded in a market outside of the United States, and/or denominated in a currency other than United States dollars, the price of those securities may be converted into United States dollars for inclusion on your statement. The risks of adverse changes in the value of non-United States currencies relative to the United States dollar are borne by you; RBC does not hedge or otherwise mitigate such risks. While we obtain pricing and currency conversion information from sources that we believe are reliable, RBC cannot guarantee the accuracy of the prices and currency conversion information that appear on your statement. You should always request a current valuation of your securities prior to making an investment decision or placing an order to buy or sell securities. Note that securities that are not actively traded have not been priced and, therefore, are excluded from the total shown in your summary.

RBC's Dividend Reinvestment Program (DRIP) is available to holders of eligible securities. For more information on the program, please refer to the terms and conditions of your agreement with us in the Client Account Agreement and the "Dividend Reinvestment Program Disclosure" which can be found at rbcbwm.com/disclosures. If you have additional questions, please contact your Financial Advisor.

Non-priced Securities – Securities that are not actively traded and for which no independent quotation-service pricing is readily available are excluded from the (i) Market Price, (ii) Market Value and (iii) Account Summary Total sections of your statement. In these instances, the Market Value and Total Account Summary sections of the statement will reflect a \$0.00 value for these securities until such time that they begin active trading and/or have a readily available independent quotation-service price. Accrued interest for non-priced (N/P) securities will be reflected on your statement where applicable. Examples of N/P securities may include, but are not limited to, auction rate securities, auction rate preferred securities and certain structured products and over-the-counter equity securities.

Your statement also includes a summary of the short- or long-term gain or loss from the sale of selected securities in non-retirement accounts. "Short-term" refers to securities held for one year or less; "long-term" refers to securities held more than one year. RBC provides gain/loss information as a service to its clients; the information may not be accurate for tax reporting or other purposes and may rely on information, such as the original cost basis for a security, which you or another source at your direction provided to RBC. Gain/loss information may also reflect a change in the value of certain fixed income and other securities that return or amortize principal over time.

If you have elected to receive interest on free credit balances maintained in your account, please be advised that under federal securities laws and the rules of FINRA, we are permitted to pay such interest only on balances arising as an incidence of securities trading activities. We may use a free credit balance in our account in the course of our business, subject to limitations of 17CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You may demand and receive from us during normal business hours the delivery of any free credit balances or fully paid securities in your account, and/or any securities purchased in your loan account upon full payment of any indebtedness to us. Any balance in the RBC Insured Deposits, or shares in a money market fund in your account may be liquidated on your order and the proceeds returned to your account or remitted to you upon the full payment of any indebtedness to us.

If this is an RBC Express Credit™ (margin) account and we maintain a special memorandum account for you, this is a combined statement of both your general account and the special memorandum account maintained for you under Regulation T of the Federal Reserve system. The permanent record of the special memorandum account as required by Regulation T is available for your inspection at your request. RBC reserves the right to limit RBC Express Credit (margin) purchases and short sales and to alter its margin requirements and due dates for house or other margin calls in accordance with the firm's guidelines, market conditions and regulatory requirements.

The prices reported on your RBC statement for securities issued through or by a Direct Participation Program, Real Estate Investment Trust, or private securities, including hedge funds are estimates. RBC does not calculate the prices of these securities, and has not confirmed these prices or verified that they are determined correctly. Instead, RBC relies on independent quotation services or the management, trustee or general partner of the issuer of the securities to provide such prices. The prices may be based on independent appraisals, the book value of the entity's assets, the prices paid or offered for the securities, or another method or basis (or a combination of any of these). These securities are illiquid, and do not trade in a public market. Consequently, the estimated value of the securities (which is shown on your statement) may not equal the amount(s) that you receive if you attempt to sell your investment. In some cases, accurate valuation information relating to these securities may not be available. For current or estimated price information on the estimated value of the securities, the source of the actual or estimated value of the securities, or the method by which the value was determined or estimated, please contact your Financial Advisor.

FINRA BrokerCheck Hotline – FINRA has made available to investors a pamphlet describing FINRA BrokerCheck for your information. To obtain a copy of the brochure, please contact FINRA at 800-289-9999 or visit their website at www.finra.org.

Same Day Cash Sweep Redemptions – If your transaction has the description "Same Day", the transaction you requested required same day payment—RBC retained the last day's dividend to offset the cost of advancing a same day payment on your behalf. For more information see the "Cash Sweep Program Overview" on our public website at rbcbwm.com/disclosures, as well as RBC Insured Deposits program banks www.rbcbwm.com/rbc-insured-deposits-program-banks.

The Estimated Annualized Income ("EAI") for certain securities could include a return of principal or capital gains, in which case EAI depicted on this account statement would be overstated. RBC INSURED DEPOSITS

Deposits in RBC Insured Deposits, except for amounts classified as "Pending Deposits", are held by Program Banks, not RBC Wealth Management. They are not covered by the Securities Investor Protection Corporation (SIPC). Balances classified as "Pending Deposits" are scheduled to be deposited in the Program Banks on the business day following the statement date, and thus, these deposits are covered by SIPC until such time as they are deposited in the Program Banks. Deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor at each bank subject to certain limitations. **This means that your funds in excess of \$250,000 in the same insurable capacity at any single Program Bank are not insured.** FDIC insurance coverage amounts are subject to the combined total of all deposits at a specific Program Bank including deposits held by the Program Bank outside of this account. RBC Wealth Management is not an FDIC-insured depository institution. FDIC insurance available in RBC Insured Deposits is subject to certain conditions and FDIC insurance only protects against the failure of a bank. Please refer to the RBC Insured Deposits Terms and Conditions and "RBC Insured Deposits" on our website at rbccwm.com/disclosures for more details, including the Program Terms and Conditions, Program Interest Rates and segments along with the current aggregate FDIC deposit insurance amount available through the Program. A list of Program Banks is available at www.rbccwm.com/rbc-insured-deposits-program-banks. For questions concerning bank balance, please contact your Financial Advisor.
